WE DON'T COAST[®]
FREMONT

An important source of financing for entrepreneurs is the Small Business Administration guaranteed loan program. The SBA provides short- and long-term guaranteed loans to eligible, credit-worthy start-ups and existing small businesses that cannot obtain financing on reasonable terms through normal lending channels.

Attend this FREE workshop where SBA reps will be on hand to give an overview of resources and to answer questions.

Wednesday, Oct. 21, 9 – 10 a.m.
